Moonstone

Sri Lankan Restaurant

Moonstone is a family run business, named after the highest quality moonstone gems which are mined on the South Coast of Sri Lanka.

Moonstone is also the name of decorated stone with traditional carvings used at the doorsteps of olden day castles and temples.

Moonstone's philosophy is to serve a unique variety of authentic Sri Lankan food, cooked in the traditional way by family chefs from the south coast of Sri Lanka in a relaxing environment with outstanding customer service.

Sri Lankan curries are tasty but not necessarily hot! They are distinguished by being light, delicately spicy with an abundance of fresh herbs and a dash of fresh coconut - tantalising to the palette and light to digest. All the curries are available from mild to hot.

Sri Lankan curry powder is a blend made from several spices separately roasted and then ground together. Our curry powder is home made within the family and has been handed down through the generations.

This intricate blend of spices consists of coriander, turmeric, cumin, fennel, curry leaves and rumpa. The curry powder used with meat also includes cinnamon, cardamon and cloves.

As all our food is freshly prepared, please allow time accordingly.

ALL PRICES ARE INCLUSIVE OF VAT

WE CANNOT GUARANTEE THAT THERE ARE NO BONES IN THE FISH OR MEAT. FOR NUT ALLERGIES - PLEASE ASK THE MANAGER.
